

MINI 96

The world's most affordable and portable 96 channel pipette – **PICK YOURS UP FOR JUST 9,950 € !**

- **Compact design** fits any workspace
- **Portability** enables use anywhere in the lab, including in a laminar flow cabinet
- **Fill 96 and 384 well plates** quickly and precisely
- **Simultaneously fill** whole or partial plates (2-position plate stage required)
- **Boost lab productivity** compared to traditional 1-16 channel pipettes
- **Ready to use** straight out of the box – just turn it on and start pipetting

Faster, more reproducible pipetting for every lab, every workspace, and every budget.
