

Customize your SWITCH set-up: choose 3 pipettes with a Flex charging stand for 2,100 CAD!

Plus save 25% when you purchase up to 3 additional SWITCH pipettes

Precision meets speed

Manual control with electronic repeat dispensing – no compromises on accuracy or productivity.

Aliquot faster, work smarter

Dispense multiple aliquots from a single aspiration using repeat dispense mode, no complex set-up or training required.

Less strain, more comfort

Ultra-low plunger forces, optimized ergonomics and effortless tip ejection help to reduce hand fatigue and RSI risk.
